### **GGEA Mission Statement:**

**GGEA is an association of educators who advocate for the well-being of our membership and the students we serve.**

### **GGEA 2023-2024 Goal:**

**Engage membership through internal organizing to build a stronger union.**

Dear Members of the BGHS Faculty,

Tomorrow, January 23, the GGEA Board of Directors will be on the Bolsa Grande High School campus. The main purpose of our visit is to listen to all members of the teaching staff. The GGEA Board made the decision to visit BGHS after seeing the results of the Climate and Trust survey that the teachers at Bolsa Grande completed.

Two board members will visit classrooms during your conference period. It is entirely voluntary if you wish to speak or not speak with the board members. Essentially, we would like to know what is working and what is not working at Bolsa Grande. Ultimately, GGEA would like to see the staff of BGHS feel like that are in a positive working environment with mutual trust and communication between all staff members.

The GGEA Board of Directors has a few requests:

- Please share your honest perspective
- Please be in your room during your conference period
- Tell the board members if you do not wish to speak with them, they will leave
- Your anonymity will be respected
- Individual comments will not be shared with the district or site administration.

Sincerely,

Bridget A Holdermann
