

To Bee or Not to Bee

Using collaborative conversations about bees to build science ELA/ELD literacy

The new California ELA/ELD Standards/NGSS can enhance your instructional practice. Want to learn more?

Coaches, science and ELA teachers, and leaders are invited to join us for a two-session professional learning opportunity as we investigate a **shift** that you can make in your own practice that can result in greater **student learning**. The emphasis will be on secondary education. After the first session, you will have the chance to try out a sample lesson in your own school/classroom and then return for a second session to share the results with your colleagues and further develop the lesson to meet your specific students' needs.

When:

First session: January 14, 2016; and
Second session: February 9, 2016

Time: 4:00 P.M. to 6:30 P.M.

Cost: Free

Where:

Orange County Department of Education
200 Kalmus Drive, Building D, Room 1002
Costa Mesa, California 92628

Register at: <http://ocde.k12oms.org/1235-108722>

Questions, please contact Susan Carlé, Coordinator ELA at (714) 966-4159 (scarle@ocde.us) or Camie Walker, Science Teacher and NGSS Instructor at (714) 814-9320 (camie.walker@gmail.com)

Individuals with disabilities in need of auxiliary aides and services may request assistance by contacting Joyce Beynon at (714) 966-4445 or jbeynon@ocde.us
