

GGEA's 1st Electronic Voting Election is Almost Here!

GGEA's office staff has worked hard collecting/inputting personal emails of our members to make GGEA's first electronic voting election be successful.

As of today, 57 members will be receiving a mail ballot, which will go out in the mail tomorrow (Wednesday 3/3). Please send the ballot in the mail no later than Wednesday (3/10). Return stamped envelopes are being provided. Rules and Election Committee members will count mail ballots along with electronic voting data, on Monday March 15th.
