## **The NEA Foundation is offering NEW Envision Equity Grants for Educators!!**

*Easy application process! Deadline June 1!!!*

The widespread and disparate impact of the COVID-19 pandemic has underscored the need to reimagine education in ways that will transform inequities, meet the needs of the whole child, and prepare all students to thrive in an ever-changing world.

This new grant program will enable educators across the country to build on their knowledge of what works to bring out every student's best.

Envision Equity Grants will enable educators to test creative new ideas and innovations, demonstrating exemplary teaching and learning. They will support students' project-based learning, advancing cultural understanding and appreciation, anti-racism commitments, and students' understanding of civic engagement and democracy

Envision Equity Grants will primarily support projects that serve the students most affected by the COVID-19 pandemic: students of color, students from low-income families, English language learners, students with disabilities, and students experiencing homelessness. <https://www.neafoundation.org/for-educators/envision-equity-grants/>
