### **The Standard Open Enrollment/Brand New Educators**

"Brand new educators often have very little accrued sick time, and many struggle with the added financial burden of student loan payments. That's why CTA now provides brand new educators (Brand New is defined as an educator who has not previously worked in education in the state of California and has never been a CTA member previously. Your first employment record in CTA's membership database must be no greater than 180 days prior to your CTA membership start date) with 9 months of CTA Introductory Disability insurance from The Standard at no cost when they join CTA for the first time between 7/1/2021 and 6/30/2022."
