**NEW! Early Childhood Education Committee Forming NEW!**

B22, the Universal Transitional Kindergarten program, has spurred interest in the formation of this new committee. The purpose of this committee is to work on issues regarding Early Childhood Education programs and monitor the application of Early Childhood Education laws. This committee will discuss and develop solutions to the issues impacting Early Childhood Education teachers and students in our district.

We highly encourage teachers with a knowledge base in the developmentally appropriate education of our youngest children in the district to participate on this committee. A date for the committee's first meeting will be forthcoming.

Please email [president@ggea.org](mailto:president@ggea.org) expressing your interest to be on this committee.

**Veterans Day**

"In the United States, Veterans Day is a holiday to thank veterans for their services. The focus is on living veterans, as opposed to Memorial Day, which is a day to remember those who gave their lives for our country.

The United Kingdom and some other countries celebrate this holiday as Remembrance Day. Two minutes of silence is observed at 11am on November 11th to remember all those who have died during war.

No matter how you celebrate this holiday, it's a wonderful time to be thankful for the brave men and women who have served their countries." ~ [familyfriendspoems.com](http://familyfriendspoems.com)

### **Operation Santa Claus (OSC), Senior Santa & Friends(SSF)**

At the Orange Service Center Council meeting on October 20, 2021, we were asked to share information on Operation Santa Claus' annual gift drive which began on November 1st and will end on December 17th. OSC provides gifts and toys to children who are in foster care in Orange County as well as children of disadvantaged families that receive services from the County of Orange.

The SSF provides gifts and special request items to low-income or severely disabled adults who are clients of OC Social Services and/or Health Care Agency.

You can help by donating, volunteering, or coordinating. For more information click on the link provided.

## Evaluations

Evaluation procedures are addressed in Article 7 of our CBA, (Collective Bargaining Agreement). As per Article 7.3, "**permanent employees shall be evaluated at least every 5 years for teachers with more than 10 full years teaching in the district and at least biennially for teachers with 3 to 10 years in the district. Non-permanent employees (temporary and probationary) shall be evaluated annually. All evaluations shall be completed no later than May 1.**"

If you are a permanent employee, GGEA's Grievance Committee highly recommends scheduling your observation. By doing so you will have control of your environment and the opening and closing of your lesson. If you are being evaluated this year pursuant to the contract or principal discretion, remember these dates:

- **by December 10 - First observation must be completed**
