CTA COVID Information**

Since well before the expiration of SB95 where a teacher's COVID related absence wasn't deducted from their own sick leave, GGEA leadership has been continually asking the district to extend that leave with no success.

I recently wrote Governor Newsom myself, as GGEA President, asking him to renew SB95, at the state level.

While nothing is set in stone, or guaranteed yet, I was very pleased to see CTA President, E. Toby Boyd write to the Governor as well, asking for proper safety measures, access to testing, adequate staffing, providing KN 95 masks as well as restoring COVID-19 Supplemental Paid Sick Leave. These are all steps in the right direction.

**We will continue to advocate for these items at the local level!** Your health and safety are and will always be at the forefront!

I have attached a copy of both CTA documents
